1 · LIGHT SETUP

Seated interview

Key · Raleno Fill · Raleno Highlight · M20C Camera Guest Interviewer

SIDE VIEW: HEIGHTS

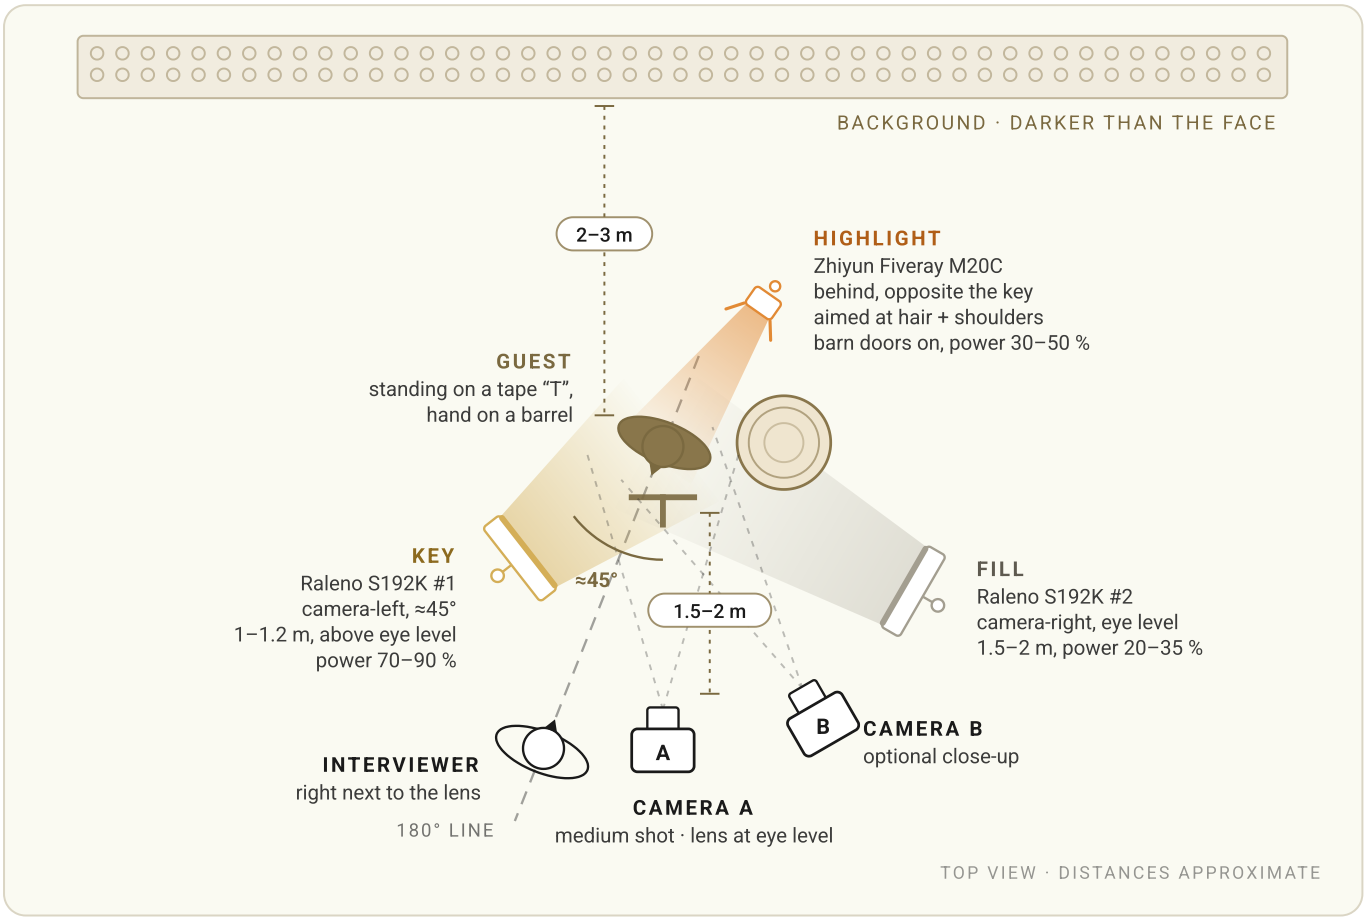

NOTES

- Interviewer sits right next to the lens, so the guest looks just past it.
- Guest's chair turned ≈30° towards the interviewer.
- All lights and both cameras on the same Kelvin. White balance manual.
- Shoot 4K 16:9 for YouTube. Keep the guest in the middle third so the 9:16 crop for Instagram works.

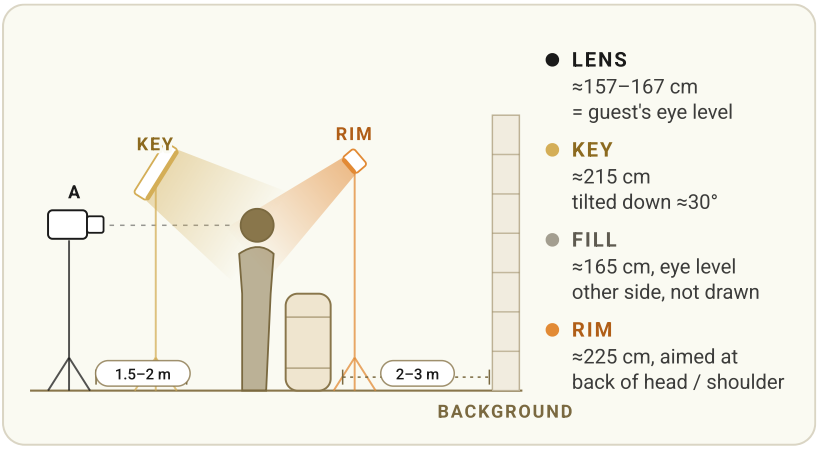

1 · LIGHT SETUP

Standing interview

Key · Raleno Fill · Raleno Highlight · M20C Camera Guest Interviewer

SIDE VIEW: HEIGHTS

NOTES

- Tape a "T" on the floor where the guest stands. A barrel or table to rest a hand on.
- Interviewer stands right next to the lens.
- All lights and both cameras on the same Kelvin. White balance manual.
- Shoot 4K 16:9 for YouTube. Keep the guest in the middle third so the 9:16 crop for Instagram works.

3 · PORTRAIT

The portrait

One high-quality photo of the guest, like this sample.

1. Looking straight into the lens, eyes in the upper third.
2. Highlight on hair and shoulders, plain background behind.
3. Arms crossed, relaxed, natural smile.
4. Shoot wider than this crop: never cut elbows or hands.
5. Leave space on one side for the title.

Light	same three lights, guest turned to the camera
Camera	85 mm · f/4–5.6 · RAW
Frames	vertical and a few horizontal
